# What you should know about our plan

Anthem MediBlue Dual Advantage (HMO SNP) is a Medicare Advantage and prescription drug plan. It includes hospital, medical and prescription drug benefits in one plan. To join this plan, you must:

- Be entitled to Medicare Part A,
- Enrolled in Medicare Part B and Medi-Cal and
- Live in our service area (see below).

**Our service area includes:** Ventura

With this plan, you must use doctors and facilities in our plan. If you use a doctor or facility not in our plan, we may not cover the services.

You can find a doctor in our plan online.

Go to <https://shop.anthem.com/medicare/ca> and choose *Find a Doctor* (be sure to check that the doctor displays as “In-Network” for these plans). Or you can call us and ask for a copy of the *Provider Directory*.

## What do we cover?

- Like all Medicare health plans, we cover everything that Original Medicare covers – Part A (hospital services) and Part B (medical services), plus more. Our plan members also get more than what is covered by Original Medicare. Some of the extra benefits are covered in this enrollment guide.
- Medicare Part D drugs and Part B drugs (such as chemotherapy and some drugs administered by your provider).
- To see if your prescription drugs are covered, you can view our *Formulary* (list of covered Part D prescription drugs) and any restrictions on our website at <https://shop.anthem.com/medicare/ca>. Or you can call us and ask for a copy of the *Formulary*.

## What are my drug costs?

Our plan groups each drug into “tiers.” The amount you pay depends on the drug’s tier and what stage of the benefit you have reached.

### How to find out what your covered drugs will cost:

- Step 1:** Find your drug on the *Formulary*.
- Step 2:** Identify the drug tier.
- Step 3:** Go to the *Summary of 2018 prescription drug coverage* section in this guide to match the tier.

# Can I use any pharmacy to fill my covered prescriptions?

To get the best savings on your covered Part D drugs, you must generally use a pharmacy in our plan. You may get your covered drugs from pharmacies not in our plan only when you are unable to get your prescription drugs from a pharmacy that is in our plan.

Our plan offers preferred and standard pharmacies. You may go to either type of pharmacy to fill your covered prescription drugs. Your costs will be the same if you use a preferred or standard pharmacy.

To find a pharmacy in our plan, see our online *Pharmacy Directory* on our website at <https://shop.anthem.com/medicare/ca> (under *Useful Tools*, select *Find a Pharmacy*). Or you can give us a call and we'll send you a copy.

# How can I learn more about Medicare?

If you're still a little unclear about what Medicare is and how it works, refer to your current *Medicare & You* handbook. If you do not have a copy, you can view it online at [www.medicare.gov](http://www.medicare.gov) or call Medicare for a copy at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users can call 1-877-486-2048.

If you want to compare our plan with other Medicare health plans, call and ask the other plans for a copy of their Summary of Benefits booklets.

Now that you are familiar with how Medicare works and some of the benefits included in our plan, it's time to consider the type of plan you may need. On the following pages, you can review more about our plan benefits to help you choose the right plan for you.

# Summary of 2018 medical benefits

## **Medicare coverage that goes beyond original Medicare**

Our plans provide even more benefits than you get with Original Medicare. Make sure to check out the extra health benefits available to you in the *More Benefits* section toward the back of this guide.

## **Be in the know**

Before you continue, here are some important things to know as you review our plan options:

- Services with a <sup>1</sup> may require prior authorization (pre-approval).

## **Anthem MediBlue Dual Advantage (HMO SNP)**

### **How much is my premium (monthly payment)?**

\$0.00 per month

This plan does not have a medical deductible.

### **Is there a limit on how much I will pay for my covered medical services? (does not include Part D drugs)**

\$6,700 per year from doctors and facilities in our plan.

Like all Medicare health plans, our plan protects you by having yearly limits on your out-of-pocket costs for medical and hospital care.

If you reach the limit on out-of-pocket costs, you will not have to pay any out-of-pocket costs for the rest of the year. You will still need to pay your monthly payment (if you have one) and cost-sharing for your Part D prescription drugs.

# Statement of Medicaid Benefits and Cost-Sharing Protections

## Eligibility

The Anthem MediBlue Dual Advantage (HMO SNP) plan is available to anyone with both Medicare Parts A and B and who receives Medical Assistance from the state Medicaid program to cover Medicare cost sharing.

- Anthem MediBlue Dual Advantage (HMO SNP) members with **Qualified Medicare Beneficiary (QMB)** status are covered by the Medi-Cal program for their Medicare cost sharing. Some QMB members are also eligible for full Medicaid benefits (QMB+).
- Anthem MediBlue Dual Advantage (HMO SNP) plan members with **full Medicaid coverage (Full Benefit Dual Eligible (FBDE))** status) are enrolled in the Medi-Cal program that pays their Medicare cost sharing. These members are also eligible to receive the additional Medicaid benefits described below.

## Cost sharing and cost-sharing protections for all members

In an Anthem MediBlue Dual Advantage (HMO SNP) plan, the state Medicaid program pays the cost sharing for Medicare-covered medical services you receive. You pay no cost sharing for the Medicare-covered benefits described earlier in this Summary of Benefits. You will pay small copayments for prescriptions covered under the Medicare Part D prescription drug benefit. When you receive health services, the provider should only bill Anthem MediBlue Dual Advantage (HMO SNP) or the state Medicaid program for the cost of those services and cost-sharing amounts. The provider should not bill you for services or cost sharing.

If you receive care from a non-contracted provider, the provider may not understand Anthem MediBlue Dual Advantage (HMO SNP) or these billing rules. If you receive a bill from a provider for Medicare-covered services, please notify Customer Service so we can help you. Please see Chapter 7 of your Anthem MediBlue Dual Advantage (HMO SNP) *Evidence of Coverage* for more information.

### **2018 Medicare Star Ratings\***

The Medicare Program rates all health and prescription drug plans each year, based on a plan's quality and performance. Medicare Star Ratings help you know how good a job our plan is doing. You can use these Star Ratings to compare our plan's performance to other plans. The two main types of Star Ratings are:

1. An Overall Star Rating that combines all of our plan's scores.
2. Summary Star Rating that focuses on our medical or our prescription drug services.

Some of the areas Medicare reviews for these ratings include:

- How our members rate our plan's services and care;
- How well our doctors detect illnesses and keep members healthy;
- How well our plan helps our members use recommended and safe prescription medications.

For 2018, Anthem Blue Cross received the following Overall Star Rating from Medicare.

  
4.5 Stars

We received the following Summary Star Rating for Anthem Blue Cross's health/drug plan services:
