Anthem MediBlue Select (HMO) and Anthem MediBlue Plus (HMO) are Medicare Advantage and prescription drug plans. They include hospital, medical and prescription drug benefits in one plan. To join these plans, you must:

- Be entitled to Medicare Part A,
- Enrolled in Medicare Part B, and
- Live in our service area.

With these plans, you must use doctors and facilities in our plan. If you use a doctor or facility not in our plan, we may not cover the services.

Medicare coverage that goes beyond Original Medicare

- Like all Medicare Advantage health plans, we cover everything that Original Medicare covers — Part A (hospital services) and Part B (medical services), plus more. For some of these benefits, you may pay more in our plan than you would in Original Medicare. For others, you may pay less (see benefits section for more details).
- This plan covers Medicare Part D drugs and Part B drugs (such as chemotherapy and some drugs administered by your provider). To see if your prescription drugs are covered, follow the instructions in the “Know Your Drug Plan” section of this booklet.

This is a Health Maintenance Organization (HMO) plan. That means:

- You must choose a primary care provider (PCP) in the plan’s network of doctors for covered services.¹ A PCP is your main doctor who provides most of your medical care, including routine care and hospitalizations. Your PCP will also help coordinate your care after a stay in the hospital.
- Before you get care from a specialist, we highly recommend you talk to your PCP first. Doing so will keep your PCP informed and will help ensure you get the right care. Many specialist services require a referral from your PCP. So if you have a favorite specialist, make sure to ask if the specialist is in the plan’s network.

Is your PCP in our plan's network of doctors?

A PCP can join or leave the plan's network at any time, so be sure to ask the PCP if he or she is in the plan's network, taking new patients and accepts Medicare. You can find a PCP in the plan's network or check the PCP status online. Just follow the steps below. If, for any reason, you need to change your PCP, give us a call - we can help you.

¹ If you need emergency or urgent care, call 911 or go to the nearest doctor or facility that can help you. Most times, you must use doctors in our plan to get covered medical care, except for emergencies and urgently needed care when doctors in our plan are not available, or dialysis services when you are out of the service area. If you get routine care from doctors outside our plan, neither Medicare nor Anthem Blue Cross will pay for it.

How to find a doctor/PCP in our plan:

- Go to <https://shop.anthem.com/medicare/ca>
 1. Scroll to the *Useful Tools* section and choose the tab labeled **Find a Doctor**.
 2. Enter your ZIP code, county and the date you want your coverage to begin and select **Continue**.
 3. Fill in the details of your search (city, doctor's name, distance, etc.).
 4. Be sure to check that the doctor displays as "In-Network" for these plans.
- Or you can call us and ask for a copy of the *Provider Directory*. The phone number is on page 2.

Know your drug plan

Prescription drugs are an important part of health and wellness

Our plan gives you access to the drugs you need to get healthy and stay active.

What is a formulary?

The formulary is a list of drugs covered by our plan that tells you:

- Which drugs require prior authorization from your plan before you fill your prescription
- If there is a quantity limit on the frequency, amount or dosage,
- If you need to try other drugs first (called step therapy),
- And the cost-sharing tier a drug is in.

Our plan groups each drug into "tiers." The amount you pay depends on the drug's tier and what stage of the benefit you have reached. Learn more by going to the "Summary of 2019 prescription drug coverage" section in this guide.

How to find if your drugs (or an acceptable alternative) are covered and what they'll cost:

- Visit <https://shop.anthem.com/medicare/ca>
 1. Scroll to the *Useful Tools* section and choose the tab labeled **Find Your Covered Drugs**.
 2. Enter your ZIP code, county and beginning coverage date; then select **Continue**.
 3. Enter the name of your drug, dosage, quantity and refill frequency, and select **Add Drug**.
 4. Select your pharmacy.
 5. Select **View All Plans**.
 6. Make sure to choose **Show drug cost details** to view what tier your drugs are in, specific costs and coverage details.
- You can also call Customer Service at the number on page 2 to get a copy of the *Formulary*.

Can I use any pharmacy to fill my covered prescriptions?

To get the best savings on your covered Part D drugs, you must generally use a pharmacy in our plan. You may get your covered drugs from pharmacies that are **not** in our plan, but only when you are unable to get your prescription drugs from a pharmacy that **is** in our plan.

Save even more money at pharmacies with preferred cost sharing

To help you save even more money on your covered drugs, we work with certain pharmacies (*preferred pharmacies*) to further reduce prices. At preferred pharmacies, your copays and share of the cost may be lower than pharmacies with standard cost sharing. You can use a preferred pharmacy or a pharmacy with standard cost sharing; the choice is yours.

To find a pharmacy in our plan, see our online *Pharmacy Directory* on our website at <https://shop.anthem.com/medicare/ca> (under *Useful Tools*, select **Find a Pharmacy**, and enter your location and search details). Preferred pharmacies are indicated above the pharmacy name. Or you can give us a call and we'll send you a copy.

Don't miss out on some Extra Help*

If you qualify for **Medicare's Extra Help**, you can get help with paying your drug plan's monthly payment (premium), yearly deductible, coinsurance and copays for covered prescription drugs. Plus:

- The coverage gap stage will not apply to you and
- There are no late enrollment penalties.

Optional supplemental dental and/or vision benefits

You can add an Optional Supplemental Benefits (OSB) package to our plan for an additional monthly premium. (Optional Supplemental Benefits may not be available with every Medicare Advantage plan in this enrollment guide. See the "Optional Supplemental Dental and Vision Plans" section of the medical benefits chart for more details, including costs.)

* You can't get Medicare Coverage Gap Discounts on brand-name drugs if you receive Extra Help.

The four stages of drug coverage

What you pay for your covered drugs depends, in part, on which coverage stage you are in.

Stage 1	Stage 2	Stage 3	Stage 4
Deductible	Initial Coverage	Coverage Gap	Catastrophic Coverage
<p>If you have a deductible, you will pay 100% of your drug cost until you meet your deductible. (If you have no deductible, or if a specific drug tier does not apply to the deductible, you will skip to Stage 2.)</p>	<p>You will pay a copay or a percentage of the cost, and your plan pays the rest for your covered drugs.</p>	<p>In this stage, you pay a greater share of the costs. It begins after you and your plan have paid a certain amount on covered drugs during Stages 1 and 2 (this can vary by plan). See Stage 2: Initial Coverage below for the exact amount. After you enter the coverage gap, you pay 25% of the plan's cost for covered brand-name drugs and 37% of the plan's cost for covered generic drugs until your costs total \$5,100. Some plans have extra coverage. See the Coverage Gap section for more details.</p>	<p>In this stage, after your yearly out-of-pocket drug costs (including drugs purchased through mail order and your retail pharmacy) reach \$5,100, you pay the greater of:</p> <ul style="list-style-type: none"> • 5% of the cost, or • \$3.40 copay for generic (including brand-name drugs treated as generic) and an \$8.50 copay for all other drugs.

Which coverage stage am I in?

You will get an *Explanation of Benefits* (EOB) each month you fill a prescription. It will show which coverage stage you're in and how close you are to entering the next one.

An overview of how Medicare works

If you're new to Medicare, this information can help you decide what option is right for you.

ORIGINAL MEDICARE (PARTS A and B) is offered by the federal government. It helps cover the costs for:

A
+
B

- Inpatient care in hospitals and skilled nursing facilities (not custodial or long-term care).
- Hospice and some home health care services.
- Doctors' services, hospital outpatient care and some home health care services, as well as lab tests, medical equipment and supplies.
- Most preventive services, including a yearly wellness exam.

But Original Medicare doesn't cover everything. Parts A and B don't cover:

- Part D Prescription drugs.
- Routine vision, dental or hearing care.

How Medicare works - continued

Option 1

Choose all your coverage in one plan

C
D+

MEDICARE PART C (offered by private insurers) can also be called a “Medicare Advantage” plan and:

- Includes all of Part A (hospital) and Part B (medical) coverage.
- Usually includes Part D prescription drug coverage.
- Often offers extra services and benefit options.
- Have yearly limits on your out-of-pocket costs for medical services

- OR -

Option 2

Choose one or both of the following

D

MEDICARE PART D (offered by private insurers) is stand-alone prescription drug coverage and:

- Helps pay for many of your prescribed drugs.
- Gives you access to mail-order options and retail drug stores across the country.

Medicare
Supplement

MEDICARE SUPPLEMENT (offered by private insurers) bridges the gap in costs that are not fully covered by Original Medicare, such as:

- Medicare Part A or Part B deductibles, coinsurance or copayments.
- Medicare Part B excess charges.
- Skilled Nursing Facility care coinsurance.
- Foreign Travel Emergencies.

Medicare ID cards

The Medicare plan option you choose will determine the plan ID card or cards you will need to carry with you at all times.

- **If you choose one of our Medicare Advantage and Prescription Drug (MAPD) plans:**

You should put away your red, white and blue Medicare ID card because all you'll need to carry is one card. Just present your MAPD plan ID card for all your covered medical and drug benefits.

When you can enroll

Initial coverage period

You can sign up for a Medicare Advantage or Part D plan when you are first eligible for Medicare. Your initial enrollment phase is a 7-month period that includes the 3 months before you turn 65, the month you turn 65 and the 3 months after you turn 65.

Annual election period - October 15 to December 7

This is the time frame each year that you can enroll in or change your Medicare Advantage or Part D plan. You may also switch to Original Medicare (Parts A and B). New coverage begins January 1 of each year, after you've enrolled.

Open enrollment period - January 1 to March 31

If you're enrolled in a MA-PD plan, you may switch to another MA-PD plan; an MA-only plan; or Original Medicare with or without a PDP.

Special enrollment period

You can sign up for a Medicare Advantage or Part D plan outside of the time frame above if certain events occur in your life or if you're eligible for low-income subsidy (also called "Extra Help").

Avoid late-enrollment penalties

It's important to enroll in a Medicare plan when you're first eligible. If you don't, you may have to pay the following penalties:

- **Medicare Part A:** Your monthly premium, if you have one, may increase by 10% per year for twice the number of years you could have had Part A but didn't sign up.
- **Medicare Part B:** Your monthly premium may increase 10% for each 12-month period that you could have had Part B but didn't sign up. You'll have to pay this penalty for as long as you have Part B.
- **Medicare Part D:** If you don't sign up when you're first eligible, you may have to pay this penalty for as long as you are enrolled in Part D, and it may increase every year. (You may not have to pay if you receive Extra Help or can provide proof of other creditable coverage.)

2019 Medicare Star Ratings*

The Medicare Program rates all health and prescription drug plans each year, based on a plan's quality and performance. Medicare Star Ratings help you know how good a job our plan is doing. You can use these Star Ratings to compare our plan's performance to other plans. The two main types of Star Ratings are:

1. An Overall Star Rating that combines all of our plan's scores.
2. Summary Star Rating that focuses on our medical or our prescription drug services.

Some of the areas Medicare reviews for these ratings include:

- How our members rate our plan's services and care;
- How well our doctors detect illnesses and keep members healthy;
- How well our plan helps our members use recommended and safe prescription medications.

For 2019, Anthem Blue Cross received the following Overall Star Rating from Medicare.

4.5 Stars

We received the following Summary Star Rating for Anthem Blue Cross's health/drug plan services:

Health Plan Services:  4.5 Stars
Drug Plan Services:  5 Stars

The number of stars shows how well our plan performs.

	5 stars - excellent
	4 stars - above average
	3 stars - average
	2 stars - below average
	1 star - poor

Anthem Blue Cross is an HMO plan with a Medicare contract. Enrollment in Anthem Blue Cross depends on contract renewal.

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at 1-888-230-7338 TTY: 711, 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30.

Understanding the Benefits

- Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services that you routinely see a doctor. Visit <https://shop.anthem.com/medicare/ca> or call 1-888-230-7338 to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

Understanding Important Rules

- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/co-insurance may change on January 1, 2020.
- Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
