Thank you for your interest in our Medicare Advantage plans

Anthem Diabetes (HMO SNP) is a special kind of MAPD plan for people who have been diagnosed by their doctor with diabetes mellitus. This special type of plan is called a Chronic Condition Special Needs Plan (C-SNP) and offers extra benefits and services such as:

- Diabetes Management & Prevention Programs, and
- Extra benefits Original Medicare doesn’t cover

This booklet tells you what we cover, what you may pay and more. If you have questions, please call your agent.
Anthem Diabetes (HMO SNP)

Our service area includes the following counties: Los Angeles, Orange

Anthem Diabetes (HMO SNP) is a Medicare Advantage and prescription drug plan. It includes hospital, medical and prescription drug benefits in one plan. To join this plan, you must:

- Be entitled to Medicare Part A,
- Enrolled in Medicare Part B,
- Have been diagnosed by your doctor with diabetes mellitus, and
- Live in our service area.

With this plan, you must use doctors and facilities in our plan. If you use a doctor or facility not in our plan, we may not cover the services.
Medicare coverage that goes beyond Original Medicare

- Like all Medicare Advantage health plans, we cover everything that Original Medicare covers — Part A (hospital services) and Part B (medical services), plus more. For some of these benefits, you may pay more in our plan than you would in Original Medicare. For others, you may pay less (see benefits section for more details).
- This plan covers Medicare Part D drugs and Part B drugs (such as chemotherapy and some drugs administered by your provider). To see if your prescription drugs are covered, follow the instructions in the “Know Your Drug Plan” section of this booklet.

This is a Health Maintenance Organization Special Needs Plan (HMO SNP).

That means:

- You must choose a primary care provider (PCP) in the plan’s network of doctors for covered services.† A PCP is your main doctor who provides most of your medical care, including routine care and hospitalizations. Your PCP will also help coordinate your care after a stay in the hospital.
- Before you get care from a specialist, we highly recommend you talk to your PCP first. Doing so will keep your PCP informed and will help ensure you get the right care. Many specialist services require a referral from your PCP. So if you have a favorite specialist, make sure to ask if the specialist is in the plan’s network.

† If you need emergency or urgent care, call 911 or go to the nearest doctor or facility that can help you. Most times, you must use doctors in our plan to get covered medical care, except for emergencies and urgently needed care when doctors in our plan are not available, or dialysis services when you are out of the service area. If you get routine care from doctors outside our plan, neither Medicare nor Anthem Blue Cross will pay for it.
Is your PCP in our plan's network of doctors?

If, for any reason, you need to change your PCP, give us a call – we can help you! A doctor or PCP can join or leave our plan at any time, so be sure to ask if he or she is in our Medicare Advantage plan, taking new patients and accepts Medicare. You can find a PCP in our plan or check their status online. Just follow the steps below.

How to find a doctor/PCP in our plan:

- Go to https://shop.anthem.com/medicare/ca
  1. Scroll to the Useful Tools section and choose the tab labeled Find a Doctor.
  2. Enter your ZIP code, county and the date you want your coverage to begin and select Continue.
  3. Fill in the details of your search (city, doctor's name, distance, etc.).
  4. Be sure to check that the doctor displays as “In-Network” for these plans.
- Or you can call us and ask for a copy of the Provider Directory. The phone number is on page 2.

Know your drug plan

Prescription drugs are an important part of health and wellness

Anthem Diabetes (HMO SNP) is a plan designed to give you full coverage of medications you need for your condition, at the lowest costs possible. To find out if your medications are covered and what you may pay, check the plan’s formulary.
What is a formulary?
The formulary is a list of drugs covered by our plan that tells you:
- Which drugs require prior authorization from your plan before you fill your prescription
- If there is a quantity limit on the frequency, amount or dosage,
- And the cost-sharing tier a drug is in.

Our plan groups each drug into “tiers.” The amount you pay depends on the drug’s tier and what stage of the benefit you have reached. Learn more by going to the “Summary of 2019 prescription drug coverage” section in this guide.

How to find if your drugs (or an acceptable alternative) are covered and what they’ll cost:

2. Enter your ZIP code, county and beginning coverage date; then select Continue.
3. Enter the name of your drug, dosage, quantity and refill frequency, and select Add Drug.
4. Select your pharmacy.
5. Select View All Plans.
6. Make sure to choose Show drug cost details to view what tier your drugs are in, specific costs and coverage details.

You can also call Customer Service at the number on page 2 to get a copy of the Formulary.

Can I use any pharmacy to fill my covered prescriptions?
To get the best savings on your covered Part D drugs, you must generally use a pharmacy in our plan. You may get your covered drugs from pharmacies that are not in our plan, but only when you are unable to get your prescription drugs from a pharmacy that is in our plan.
To find a pharmacy in our plan, see our online Pharmacy Directory on our website at https://shop.anthem.com/medicare/ca (under Useful Tools, select Find a Pharmacy, and enter your location and search details). Or you can give us a call and we'll send you a copy.

**How much do I pay for Part D drugs?**

**Stage 1: Deductible**

This plan does not have a Part D deductible.

**Stage 2: Initial Coverage**

After you pay your yearly deductible (if your plan has one), you pay the amount listed in the table on the following pages, until your total yearly drug costs reach $3,820. Total yearly drug costs are the total drug costs paid by both you and our Part D plan.

You may get your covered drugs at retail pharmacies in our plan. Generally, you may get your covered drugs from pharmacies not in our plan only when you are unable to get your prescription drugs from a pharmacy that is in our plan. If you live in a long-term care facility, you pay the same as at a standard retail pharmacy.

*If you qualify for low-income subsidy (LIS), also known as Medicare’s "Extra Help" program, the amount you pay may be different in this Stage.*

Need dental care?
Add an Optional Supplemental Benefits (OSB) package to your plan. These expanded benefits, which aren’t covered under Medicare Advantage plans or Original Medicare, are good for your health in more ways than one:

- No yearly deductibles
- No waiting periods; use them immediately after your start date
- Offer large networks of dentists

**How to add OSBs to your plan:** Up to 90 days after your effective date, you can add the package of your choice to most Medicare Advantage plans for an additional monthly premium. Your options are listed on the Enrollment form included in this guide. To learn more, see the "Optional Supplemental Dental Plans" section of the medical benefits chart or talk to your agent.
An overview of how Medicare works

If you’re new to Medicare, this information can help you decide what option is right for you.

ORIGINAL MEDICARE (PARTS A and B) is offered by the federal government. It helps cover the costs for:

- Inpatient care in hospitals and skilled nursing facilities (not custodial or long-term care).
- Hospice and some home health care services.
- Doctors’ services, hospital outpatient care and some home health care services, as well as lab tests, medical equipment and supplies.
- Most preventive services, including a yearly wellness exam.

But Original Medicare doesn’t cover everything. Parts A and B don’t cover:

- Prescription drugs.
- Routine vision, dental or hearing care.
## Option 1

Choose all your coverage in one plan

**MEDICARE PART C** (offered by private insurers) can also be called a “Medicare Advantage” plan and:

- Includes all of Part A (hospital) and Part B (medical) coverage.
- Usually includes Part D prescription drug coverage.
- Often offers extra services and benefit options.
- Has yearly limits on your out-of-pocket costs for medical services.

- OR -

## Option 2

Choose one or both of the following

**MEDICARE PART D** (offered by private insurers) is stand-alone prescription drug coverage and:

- Helps pay for many of your prescribed drugs.
- Gives you access to mail-order options and retail drug stores across the country.

**MEDICARE SUPPLEMENT** (offered by private insurers) bridges the gap in costs that are not fully covered by Original Medicare, such as:

- Medicare Part A or Part B deductibles, coinsurance or copayments.
- Medicare Part B excess charges.
- Skilled Nursing Facility care coinsurance.
- Foreign Travel Emergencies.
Medicare ID cards

The Medicare plan option you choose will determine the plan ID card or cards you will need to carry with you at all times.

- **If you choose one of our Medicare Advantage and Prescription Drug (MAPD) plans:**
  You should put away your red, white and blue Medicare ID card because all you’ll need to carry is one card. Just present your MAPD plan ID card for all your covered medical and drug benefits.

How can I learn more about Medicare?

**Medicare & You – a helpful tool**

We strongly recommend you obtain a copy of the official U.S. government’s *Medicare & You* handbook to get the answers to all of your questions about Medicare. If you do not have a copy, you can view it online at [www.medicare.gov](http://www.medicare.gov) or call Medicare for a copy at **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, 7 days a week. When you can enroll

Initial coverage period

You can sign up for a Medicare Advantage or Part D plan when you are first eligible for Medicare. Your initial enrollment phase is a 7-month period that includes the 3 months before you turn 65, the month you turn 65 and the 3 months after you turn 65.

Annual election period - October 15 to December 7

This is the time frame each year that you can enroll in or change your Medicare Advantage or Part D plan. You may also switch to Original Medicare (Parts A and B). New coverage begins January 1 of each year, after you’ve enrolled.

Open enrollment period - January 1 to March 31

If you’re enrolled in a MA-PD plan, you may switch to another MA-PD plan; an MA-only plan; or Original Medicare with or without a PDP.

Special enrollment period

You can sign up for a Medicare Advantage or Part D plan outside of the time frame above if certain events occur in your life or if you’re eligible for low-income subsidy (also called “Extra Help”).

Anthem Diabetes (HMO SNP)
Avoid late-enrollment penalties

It’s important to enroll in a Medicare plan when you’re first eligible. If you don’t, you may have to pay the following penalties:

- **Medicare Part A:** Your monthly premium, if you have one, may increase by 10% per year for twice the number of years you could have had Part A but didn’t sign up.

- **Medicare Part B:** Your monthly premium may increase 10% for each 12-month period that you could have had Part B but didn’t sign up. You’ll have to pay this penalty for as long as you have Part B.

- **Medicare Part D:** If you don’t sign up when you’re first eligible, you may have to pay this penalty for as long as you are enrolled in Part D, and it may increase every year. (You may not have to pay if you receive Extra Help or can provide proof of other creditable coverage.)

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at 1-800-499-2793 TTY: 711, 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30.

Understanding the Benefits

- Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services that you routinely see a doctor. Visit [https://shop.anthem.com/medicare/ca](https://shop.anthem.com/medicare/ca) or call 1-800-499-2793 to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

Understanding Important Rules

- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/co-insurance may change on January 1, 2020.
- Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- This plan is a chronic condition special needs plan (C-SNP). Your ability to enroll will be based on verification that you have a qualifying specific severe or disabling chronic condition.
