Know your drug plan

For many, prescription drugs are an important part of health and wellness

Our prescription drug plans give you access to the covered drugs you need – and the ability to predict costs.

What is a formulary?

Before you get your prescriptions filled, make sure they're covered on the plan's formulary. The formulary is a drug list that tells you:

- Which drugs require prior authorization from your plan before you fill your prescription,
- If there is a quantity limit on the frequency, amount or dosage,
- If you need to try other drugs first (called step therapy),
- And the cost-sharing tier a drug is in.

Our plan groups each drug into “tiers.” The amount you pay depends on the drug's tier and what stage of the benefit you have reached (refer to “The four stages of drug coverage” located further on in this booklet).

How to find if your drugs (or an acceptable alternative) are covered and what they'll cost:

- Visit <https://shop.anthem.com/medicare/ca>
 1. Scroll to the *Useful Tools* section and choose the tab labeled **Find Your Covered Drugs**.
 2. Enter your ZIP code, county and beginning coverage date; then select **Continue**.
 3. Enter the name of your drug, dosage, quantity and refill frequency, and select **Add Drug**.
 4. Select your pharmacy.
 5. Select **View All Plans**.
 6. Make sure to choose **Show drug cost details** to view what tier your drugs are in, specific costs and coverage details.
- You can also call Customer Service at the number on page 2 to get a copy of the *Formulary*.

Can I use any pharmacy to fill my covered prescriptions?

To get the best savings on your covered Part D drugs, you must generally use a pharmacy in our plan. You may get your covered drugs from pharmacies that are **not** in our plan, but only when you are unable to get your prescription drugs from a pharmacy that **is** in our plan.

Save even more money at pharmacies with preferred cost sharing

To help you save even more money on your covered drugs, we work with certain pharmacies (*preferred pharmacies*) to further reduce prices. At preferred pharmacies, your copays and share of the cost may be lower than pharmacies with standard cost sharing. You can use a preferred pharmacy or a pharmacy with standard cost sharing; the choice is yours.

To find a pharmacy in our plan, see our online *Pharmacy Directory* on our website at <https://shop.anthem.com/medicare/ca> (under *Useful Tools*, select **Find a Pharmacy**, and enter your location and search details). Preferred pharmacies are indicated above the pharmacy name. Or you can give us a call and we'll send you a copy.

Don't miss out on some “Extra Help”¹

If you qualify for **Medicare’s “Extra Help,”** you can get help with paying your drug plan’s monthly payment (premium), yearly deductible, coinsurance and copays for covered prescription drugs. Plus:

- The coverage gap stage will not apply to you, and
- There are no late enrollment penalties.

¹You can't get Medicare Coverage Gap Discounts on brand-name drugs if you receive “Extra Help.”

To find out if you qualify for “Extra Help,” call:

- **1-800-MEDICARE/1-800-633-4227** (TTY: **1-877-486-2048**),
24 hours a day/7 days a week,
- The Social Security Administration at **1-800-772-1213** (TTY:
1-800-325-0778) between 7 a.m. and 7 p.m., Monday through
Friday,

The four stages of drug coverage

What you pay for your covered drugs depends, in part, on which coverage stage you are in.

 Stage 1	 Stage 2	 Stage 3	 Stage 4
Deductible	Initial Coverage	Coverage Gap	Catastrophic Coverage
If you have a deductible, you will pay 100% of your drug cost until you meet your deductible. (If you have no deductible, or if a specific drug tier does not apply to the deductible, you will skip to Stage 2.)	You will pay a copay or a percentage of the cost, and your plan pays the rest for your covered drugs.	In this stage, you pay a greater share of the costs. It begins after you and your plan have paid \$4,020 on covered drugs during Stages 1 and 2. After you enter the coverage gap, you pay 25% of the plan's cost for covered brand-name drugs and 25% of the plan's cost for covered generic drugs until your costs total \$6,350 . Some plans have extra coverage. See the Coverage Gap section for more details.	In this stage, after your yearly out-of-pocket drug costs (including drugs purchased through mail order and your retail pharmacy) reach \$6,350 , the plan pays most, or in some cases all, of the cost of your covered Part D prescription drugs. See the Catastrophic Coverage section below for what you pay with this plan.
<div style="background-color: #e0e0e0; padding: 10px;"> <p>Which coverage stage am I in?</p> <p>You will get an Explanation of Benefits (EOB) each month you fill a prescription. It will show which coverage stage you're in and how close you are to entering the next one.</p> </div>

Medicare ID cards

The Medicare plan option you choose will determine the plan ID card or cards you will need to carry with you at all times.

If you choose one of our Prescription Drug Plans (PDP):

Your PDP card is used for obtaining your prescriptions. You will need to carry another card to obtain your medical benefits, depending on what kind of medical coverage you have. (For example, your Medicare Supplement plan card, or your Medicare card.)

How can I learn more about Medicare?

Medicare & You – a helpful tool

We strongly recommend you obtain a copy of the official U.S. government's *Medicare & You* handbook to get the answers to all of your questions about Medicare. If you do not have a copy, you can view it online at www.medicare.gov or call Medicare for a copy at **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, 7 days a week. TTY users can call **1-877-486-2048**.

When you can enroll

Initial coverage period

You can sign up for a Medicare Advantage or Part D plan when you are first eligible for Medicare. Your initial enrollment phase is a 7-month period that includes the 3 months before you turn 65, the month you turn 65 and the 3 months after you turn 65.

Annual election period - October 15 to December 7

This is the time frame each year that you can enroll in or change your Medicare Advantage or Part D plan. You may also switch to Original Medicare (Parts A and B). New coverage begins January 1 of each year, after you've enrolled.

Open enrollment period - January 1 to March 31

If you're enrolled in a Medicare Advantage Prescription Drug (MA-PD) plan, and you're switching to Original Medicare, you can enroll in a Part D plan during this time.

Special enrollment period

You can sign up for a Medicare Advantage or Part D plan outside of the time frame above if certain events occur in your life or if you're eligible for low-income subsidy (also called "Extra Help").

Avoid late-enrollment penalties

It's important to enroll in a Medicare plan when you're first eligible. If you don't, you may have to pay the following penalties:

- Medicare Part A:** Your monthly premium, if you have one, may increase by 10% per year for twice the number of years you could have had Part A but didn't sign up.
- Medicare Part B:** Your monthly premium may increase 10% for each 12-month period that you could have had Part B but didn't sign up. You'll have to pay this penalty for as long as you have Part B.
- Medicare Part D:** If you don't sign up when you're first eligible, you may have to pay this penalty for as long as you are enrolled in Part D, and it may increase every year. (You may not have to pay if you receive "Extra Help" or can provide proof of other creditable coverage.)
