Benefit Chart of Medicare Supplement Plans Sold for Effective Dates on or after January 1, 2020

This chart shows the benefits included in each of the standard Medicare Supplement plans.

Every company must make Plan “A” available. Some plans may not be available. Only applicants **first** eligible for Medicare before 2020 may purchase Plans C, F and High Deductible F.

Plans shown in gray are available for purchase. These same plans are available to those who are under 65 and qualify for Medicare due to disability (except those that qualify due to ESRD).

Note: A “✓” means 100% of the benefit is paid.

1 Plans F and G also have a high deductible option, which require first paying a plan deductible of \$2,950 before the plan begins to pay. Once the plan deductible is met, the plan pays 100% of covered services for the rest of the calendar year. High deductible plan G does not cover the Medicare Part B deductible. However, high deductible plans F and G count your payment of the Medicare Part B deductible toward meeting the plan deductible. We do not offer **High Deductible Plans F or G**.

2 Plans K and L pay 100% of covered services for the rest of the calendar year once you meet the out-of-pocket yearly limit.

3 Plan N pays 100% of the Part B coinsurance, except for a copayment of up to \$20 for some office visits and up to a \$50 copayment for emergency room visits that do not result in an inpatient admission.

4 **Innovative F** includes additional benefits not contained in other standardized Medicare Supplement Plans as outlined in the following pages.

Premiums can change.

Next steps

- Compare the individual plan pages
- Choose the plan that meets your needs

Find your premium

Premiums for the plan you choose are determined by several factors, including age, county you live in, and tobacco use. Premium may adjust in the future as a result of the cost of medical services and supplies.

New to Medicare — Enroll in Plan G and save \$300

If you are age 65 or older, and within six months of your Part B effective date you will receive \$25 off your monthly premium for the first 12 months of your policy. This discount is applicable to Plan G policies with an effective date of March 1, 2021 or after. Those eligible to enroll into Plan F or Innovative F that meet the requirements will receive \$20 off.

Household Discount Program

- Save 10% when more than one member in your household is enrolled in one of our Medicare Supplement insurance plans.[‡]

[‡] If you live with someone that has a Medicare Supplement plan with us, that individual's discount is based on their original coverage effective date. Members with an original coverage effective date on or after March 1, 2023 will receive a 10 percent Household Discount. Members with an original coverage effective date between June 1, 2010, and February 28, 2023, will receive a 5 percent Household Discount. To be eligible, individuals must occupy the same household.
