Upgrade your health plan with Medicare Supplement insurance from Anthem

Medicare doesn't cover everything. Our Medicare Supplement insurance plan can help cover what Medicare doesn't.

Our Supplement insurance plan gives you:

- **More coverage:** Medicare does not cover everything. A Medicare Supplement insurance plan helps cover deductibles, coinsurance, and copayments.
- **Freedom:** You can see any doctor who's accepting new Medicare patients. You don't need a referral and you won't have to fill out claim forms. Some plans even offer coverage when you're traveling out of the country.
- **Consistency:** Once you enroll, you have guaranteed benefits for life.[‡] Your coverage cannot be canceled and you don't need to worry about re-enrolling.
- **Portability:** If you move, your Medicare Supplement insurance plan moves with you.

[‡] Your policy cannot be terminated for any reason other than non-payment of premium or material misrepresentation in the application for insurance.

With Anthem, you'll have:

Competitive rates: Our size and commitment to innovation allows us to offer you competitive rates.

Premium Rate Guarantee: Concerned your Medicare Supplement premium will increase within the first six months of membership? Not with us. Anthem will hold any premium rate increase for six months, making it easier for you to budget your premium costs. After the initial six month rate guarantee period ends, premiums are subject to change in accordance with the terms of your policy.

Service: We believe your coverage shouldn't be hard to figure out. We deliver clear, easy-to-read communications and a dedicated customer service team that will help answer all your health plan questions.

Dependability: We're here with a focus on stability – of your coverage, and your rates – so you can plan for the future.

Convenience: We offer a variety of health and separate prescription drug coverages so you have the convenience of all your plans coming from one company.

Overall health: We offer special member-only programs, discounts, and offers that can help you get and stay your healthiest.

How to choose a plan that's right for you

Medicare Supplement insurance plans vary in benefits and cost, it all comes down to choosing one that best fits your health needs and budget.

The enclosed Outline of Coverage shows the plans we offer and how much they cost. Things to consider:

Plan G is our most popular plan. Plan G covers all out-of-pocket costs not covered by Medicare for Medicare-approved services, except for the Medicare Part B deductible (\$257 for 2025).

Plan N is a good option if you want to save on monthly premiums in exchange for sharing the cost. With Plan N, you have a set copay for covered doctor and emergency room visits.

Plan F is only available if you first became eligible for Medicare before January 1, 2020.

How to save on your monthly premium

Pay yearly or with automatic bank draft:

- Save up to \$48 when you pay your premium for the year.
- Save \$2 a month when you pay by automatic bank draft or electronic funds transfer.

Household Discount Program

Save 10% when more than one member in your household is enrolled in one of our Medicare Supplement insurance plans.[‡]

[‡] If you live with someone that has a Medicare Supplement plan with us, that individual's discount is based on their original coverage effective date. Members with an original coverage effective date on or after January 1, 2023 will receive a 10 percent Household Discount. Members with an original coverage effective date between June 1, 2010, and December 31, 2022, will receive a 5 percent Household Discount. To be eligible, individuals must occupy the same household. A household does not include assisted living facilities, retirement communities, group homes, senior-only apartment complexes, nursing home or any other health residential facilities. You may be required to provide additional documentation to verify eligibility.

Save money with Anthem's prescription drug plan

Complement your Medicare Supplement insurance with a Part D drug plan.

Some Medicare plans only cover Part B prescription drugs, but you can add a standalone Part D plan to cover drug costs. Ask your agent or broker about enrolling in an Anthem Part D plan.

When you can enroll

- **You are turning 65 and have Medicare Parts A and B:** You can apply for a Medicare Supplement insurance plan during the six months after you enroll in Medicare Part B. In some states, plan(s) may be available to persons younger than 65 who are eligible for Medicare.
- **If you're already 65:** You are welcome to apply at any time.[◇]
- **Pre-existing conditions:** If you had at least six months of prior creditable coverage or are in a guaranteed issue situation, you don't have to wait for coverage to start. You can use this prior coverage to remove or shorten waiting periods for pre-existing conditions. A pre-existing condition means you were treated or diagnosed six months before the start date of your policy. Remember, for Medicare-covered services, Original Medicare will cover the condition, even if you are responsible for out-of-pocket costs during the pre-existing condition waiting period.
